Beth-El Hospital

COLORADO SPRINGS, COLORADO

Is the only Protestant Hospital in Colorado Springs and the only Methodist Hospital in Colorado Conference.

The facilities of Beth-El Hospital are planned to meet the wishes of everyone. Each department—maternity, medical, surgical—has its own supervising nurse who is a specialist in her work, and who is aided by a competent and ample corps of nurses. Making use of Beth-El during illness of any kind not only aids the patient to better recovery, but at the same time saves worry and confusion among the remaining members of the household.

The situation of the hospital is quiet, restful and beautiful, ideal for effective treatment and recuperation of the sick. Special attention is given to Diabetic patients. This can be done in a thorough manner because of the excellent facilities of our laboratory and dietetic departments.

The Beth-El Hospital Training School for Nurses is a fully accredited Class A school, offering a full three years' course, covering all the branches of nursing.

New Courses—New Subjects
New Opportunities . . .

ADDED opportunities for education for young and old have marked the recent development of the University of Denver. An improved City College, addition of an Art School, and the establishment of Schools of Nursing and Library Science have marked its progress. On the main campus, new courses have been added in both the regular terms and the summer session, with particular attention to effective development of the Department of Education. Special recognition has come in the last year to the School of Law.

The University of Denver School of Commerce, Glenarm Place at Twentieth, has enlarged its faculty and accommodations. Nearly 1,000 young people, in day and evening classes, are taking university training for business.

Variety for Selection

Do you know what makes personal selection at Piggly Wiggly such a pleasure?

The wide variety of foods from which you make your choice is one of the foremost reasons. Different grades, different brands, and every sort of food—gathered for you by expert buyers who test carefully everything that goes onto the shelves.

Then, it is your privilege to make selection from these; to choose what best suits the needs of your table and family. Women appreciate this privilege, that's why they prefer the Piggly Wiggly way.

Do you know the Romance of Turnstile shopping? If you don't, we invite you to come to Piggly Wiggly today.

ACCORDING to a recent report of the National Industrial Conference Board, office salaries (not beginners, but the average of workers in selected occupations), actually averages \$152.50 per month.

A recent questionnaire sent to fifty representative former students shows that at beginning of work their average wage was \$84.13 per month; their average wage today, eight years later, is \$187.83 per month!

A Barnes training opens the way to a place in the business world. The time required for preparation is very short in comparison with the time required for any of the professions and it pays FINANCIALLY.

We cordially invite pastors and laymen having sons and daughters to educate to visit our school and investigate the opportunities in business. Methodist management.

On Your Birthday Is Your Complexion a Tell- Tale of Your Age?

Is there anything more heartbreaking than to hear some one whisper, "My dear, she looks years older than she really is, just think only 30 years of age and those lines and wrinkles just shout 40. It's pathetic, when with only a little care, she could look years younger."

A tell-tale line here—a sagging muscle there—a shadow under the eyes—a wrinkle under the chin, all portents of approaching years—warnings of departing youth. Nothing "dates" a woman more decisively than her complexion.

Just 30 minutes spent in application, and you can actually see the years roll away. LADY MODE'S DENVER MUD BEAUTY MASK can retain all the charm of ageless youth. Never before has there ever been a Beauty Mask that can give five desired benefits in one treatment. It is a Beauty Clay Mask—Astringent—Complexion Toner—Cleanser—and Skin Tissue Builder. DENVER MUD BEAUTY MASK adjusts itself to your own individual skin condition, correcting any fault your skin may have. It is indeed unsurpassed in value and so inexpensively priced.

When one uses LADY MODE'S DENVER MUD BEAUTY MASK you have little use for other creams, lotions and astringents. This marvelous preparation indeed takes the place of all. Don't trail along at the end of a procession of bottles and jars that eat up your allowance and interfere with your dates. LADY MODE'S DENVER MUD BEAUTY MASK is indeed the Ambassador of Beauty, for it is not only very economical, but the quick and easy way to lasting skin beauty.

(Summarized Reports)

DENVER DISTRICT

WALTER D. COLE, Superintendent

Dear Fathers and Brethren:

With grateful appreciation of the consideration and cooperation not only of my brethren in the Ministry but the laity as well, I submit this brief statement.

In common with the churches in other places we feel the financial depression to a degree which causes real privation and calls for real sacrifice. Chiefly for this reason our financial reports will not reach the average of the years that are gone, but will be much better than it looked as though they could be a few weeks ago. The statistical tables in the minutes of this session will truthfully tell the story.

There has been no death in the year of any member of the Conference nor among the wives of the members of this District. E. C. Wright of University Park Church suffered a somewhat protracted and distressing illness, from which he seems to have completely recovered.

Mrs. F. T. Krueger is in a condition of practically helpless invalidism but receives every consideration possible from the members of her family and the people of California Street Church.

The physical condition of John Collins is in nowise improved. Dean Peck is confined to his home and part of the time to his bed. S. A. Webber is not in good health.

Except the cases mentioned so far as we know the physical condition of our people is satisfactory.

While there has been no deaths among the ministers and their wives, two of the parsonage homes in the District have been darkened by the departure of members of the family. An infant life came into the home of Brother and Sister Coulter, but did not stay. Responding to Bishop Leonard's call made on Conference Sunday a year ago Winston Edwards, son of F. E. Edwards, then at Wesley Church, went to the Altar. Since then he has gone to where they are always useful and never get old.

During the year a change has been made in the pastorate of Christ Church, made necessary by the transfer of W. H. Bentley to the Erie Conference. A. P. Gaines is in the succession and seems to be getting hold of the situation in a constructive way. In the line of changes made necessary by this move, A. M. Crippen came from Akron to Wesley Institutional. The number of changes in appointments on the Denver District this year is not likely to be above the average.

Two church building enterprises are approaching completion. One from a beginning made six or seven years ago; the other having been commenced and nearly finished within this year. At Wheatridge a new and beautiful church building is ready for dedication and the date is September 14. Money expended has brought a surprisingly large return in real values and Brother Tyree is a proper subject for congratulations. At Arvada for a number of years the church building has consisted of a foundation, a gymnasium, a kitchen and a boiler room. Few men have wrought with greater patience in any field than Brother Morgan and this fine monument to the success of his ministry will be ready for dedication in the early autumn.

Most of the pastors on the Denver District have done well. Some have done exceptionally well. The record of the year is behind us and we front the future with good courage and a spirit of Christian helpfulness.

WALTER D. COLE.

GRAND JUNCTION DISTRICT

FRANCIS L. GEYER, Superintendent

Dear Brethren:

Dr. George F. Klein, my predecessor, after four years of effective work left the district well manned, and well organized. The accomplishments of the District are due to the self-sacrificing work of the loyal pastors, their families and loyal laymen.

The Death Angel visited but one parsonage during the year. Mrs. Genevieve Dickinson, daughter of Rev. and Mrs. B. F. Ross, a very fine Christian character, was called to her reward. In the springtime of life she, with her young babe, bid goodbye, for a "day," to husband, father, mother and sister and entered that land of perpetual spring.

Miss Ruth Elouise Eitelgeorge came to bless the home of Brother and Sister Eitelgeorge, our pastor at Gunnison.

Rev. O. M. Reynolds, our pastor at Norwood, was married during the year. They are happily situated in the parsonage and the work of the church is progressing nicely.

The special emphasis for the year's work in the District was Evangelism and Religious Education. The district reports a net gain of 215 members. This was better than some previous years.

PUEBLO-COLORADO SPRINGS DISTRICT

I. W. KINGSLEY, Superintendent

Bishop Locke and Brethren:

The following may be of interest to this Annual Conference:

Changes and Developments—Acting under the authorization of the Annual Conference of 1929, the church and parsonage property at Cheyenne Canon were sold, the net proceeds being \$2,063.49.

A new church was completed at Two Buttes at a cost of \$6,500 and at the present time there is not one dollar of indebtedness on it.

A new four-room parsonage was built at Walsh, valued at \$1,500, making a very comfortable home for a small family.

At Vilas, a Methodist Society has been organized with a membership of 29. This little group of Methodists has shown its faith and optimism in the purchase of the frame schoolhouse, which the school district abandoned for more commodious and up-to-date quarters. The building was sold at auction and purchased at \$900. It consists of two large rooms opening into each other by means of folding doors, and two smaller rooms at the back. It is admirably adapted to the putting on of a fine community program.

An outstanding accomplishment of the year has been the raising in five-year subscriptions of the indebtedness on the St. Paul Church, Pueblo. This debt seemed an impossible barrier to the progress and ministry of this fine church. However, through the challenge of \$15,000 in Special Gifts approved by the Department of Church Extension, and under the fine leadership of Dr. Walter Torbet, the Western representative, St. Paul Church went heroically to the task of raising the amount needed, and on Sunday, June 8, celebrated Victory Sunday with more than \$80,000 subscribed.

At Fowler, the pastor, assisted by Drs. David E. Kendall and W. E. Blackstock, raised about \$13,000 in pledges for a new church, which together with about \$5,000 in cash becomes the nucleus for a \$26,000 church building.

In the midst of this development of the material interests of the church, the spiritual interests have not been neglected. Evangelism has been emphasized throughout the year with gracious results. No pastor on this district but will report accessions to the church, and some of them will show phenomenal growth. Our church at Springfield is perhaps outstanding in this respect, showing an increase of 70 per cent in membership.

The other interests of the church have been well cared for in every respect, including World Service and Pensions and Relief.

(b) STANDING COMMITTEES AND BOARDS**AMERICAN BIBLE SOCIETY**

We record with the deepest satisfaction and thanksgiving our appreciation of the splendid report of the American Bible Society for the year 1929. There have been many encouraging accomplishments and cheering advances in making the Book of Books more widely and easily available throughout the world.

During the years of its history the Bible Society has distributed more than 216,000,000 copies of the Bible, Testaments, and Portions in over three hundred languages.

During the year 1929 the figures for circulation have surpassed all previous records with over 11,000,000 copies distributed.

In view of these facts your committee respectfully presents for adoption the following resolutions:

First: That this body heartily endorses the efforts of the American Bible Society in its program of encouraging a wider circulation of the Holy Scriptures and prayerfully remembers the Society before the throne of grace.

Second: That inasmuch as Sunday, December 7, 1930, has been designated as Universal Bible Sunday, the ministers of this body, as generally as possible, cooperate with the American Bible Society in directing the attention of their congregation to the important place in the Christian faith which the Holy Scriptures occupy.

Committee:

HUGH NEVILLE,
E. O. HARBOUR,
F. C. SAGER,
J. M. FLYNN.

BETH-EL HOSPITAL

Beth-El Hospital was established in Colorado Springs about twenty years ago through the vision of a few consecrated women. The Colorado Conference Deaconess Hospital of the W. H. M. S. was opened with twenty beds in 1904. The first unit of Beth-El and the Nurses' Home were built with money raised in Colorado Springs and vicinity. Mr. and Mrs. Lennox alone giving more than \$75,000 in cash for this purpose. While Colorado Springs citizens have given the money for buildings, the Hospital now ministers to the whole Denver Area and particularly to the Colorado Conference.

The Colorado Conference has helped to maintain the free service though the amount received does not equal the free service given. The free service given this year amounted to \$14,863. One pastor secured an annuity gift of \$1,000 which purchased needed room equipment. This form of gift will be very helpful.

A Nutrition Camp is maintained by the Junior League of Colorado Springs for the benefit of undernourished children.

The Medical Staff have given over \$8000 of free service this year. They have performed over 1500 operations this year as over against 800 ten years ago. Yet we have the same equipment and space as ten years ago. New operating rooms are needed imperatively.

The Medical Staff and the Hospital Committee ask the Conference to make this new Operating Room Suite possible. We must have it to do our work adequately. Operations are now delayed and sent elsewhere as our present facilities are overcrowded.

Our Nursing School ranked third in the State in a recent survey. We have 75 nurses attending this School. The State Board of Nurse Examiners has laid down heavy requirements if we are to be accredited. This, too, we must meet.

Serving all alike in the spirit of Christ Beth-El brings healing of body and new hope to distressed and so is part of our whole work as a church.

G. M. HANNER, *Supt.*

BETH-EL HOSPITAL RESOLUTION

Adopted by Unanimous Vote

1. That we approve of a \$75,000 budget asking this year for Beth-El Hospital, for essential expansion program and for free service.

2. The solicitation of big gifts by representatives of Beth-El, the pastors cooperating by furnishing lists of prospects.

3. To work through Hospital Guilds since they have already expressed their deep interest and through local hospital committees or other organizations.

4. That we designate Sunday, November 23, 1930, as Hospital Sunday, at which time the gifts of the congregations be received in cash or pledges to apply on above budget. All pledges to be paid within the Conference year.

R. H. AYRES, *Chairman.*

BOOKS AND PERIODICALS

The fine books for all ages and on religious subjects published by our Book Concern should be brought to the attention of all our people for Good Literature is needed in every home.

The new graded lessons are especially to be commended and all Church Schools urged to use them.

The fine editorship of Dr. C. B. Spencer of the Central Christian Advocate should cause us to increase the subscriptions on Good Literature Day, November 2. We pledge our effort to reach one subscription for every ten members.

B. A. BESSIRE, *Chairman,*
F. E. EDWARDS, *Secretary.*

EDUCATION

We ask that the Conference receive as a part of the report of this Committee the reports of the heads of the Educational interest of the Conference. We, therefore, embody herein the reports of Chancellor Hunter as made to the Conference, the report of President Cutshall of Iliff and Dr. Hollenback for the Wesley Foundation.

RECOMMENDATION AND REQUESTS

We ask that the Conference requests through its Resident Bishop, Charles L. Mead; its Secretary, A. P. Gaines; and the Area Representation H. G. Goodsell that the Board of Education of the Methodist Episcopal Church grant an annual appropriation of \$10,000 to the University of Denver.

FOR THE ILIFF SCHOOL OF THEOLOGY

We reaffirm our confidence in the willingness of the Board of Education to present Iliff claim for "adequate support" to the World Service Commission.

We recommend that the Conference order an assessment of one per cent of the pastor's cash salary for the support of Iliff School of Theology.

We concur in the Recommendation of the Wesley Foundation that the third Sunday in January (week of Prayer for Schools and Colleges) be observed as Christian Educational Day in all our churches and that all three Education institutions, the Wesley Foundation, Denver University, and Iliff School of Theology be appropriately and adequately represented on that day.

At the Annual Meeting of Trustees of the Colorado Seminary and University of Denver, held June 3, 1930, at Templin Hall, the following persons were approved and recommended to the Colorado Conference for confirmation as trustees of the Colorado Seminary at its annual session September, 1930. The term for which these trustees are recommended begins in 1930 and expires in 1934: (See Committees)

FRANK H. HOLLENBACK, *Chairman,*
ROBERT R. ADAMS, *Secretary.*

UNIVERSITY OF DENVER

The annual report of the Chancellor of the University of Denver is printed in booklet form. Copies will be mailed from the Chancellor's office to anyone who requests them.

ANNUAL REPORT OF THE PRESIDENT, ILIFF SCHOOL OF THEOLOGY

ACADEMIC ITEMS

To the Members of the Colorado Annual Conference, Greetings:

The **enrollment** for the year ending with the June Commencement was 55 credit students and 7 auditors.

The **Th. D. Degree**, carefully guarded by the faculty, given only to students of excellent ability, training, and promise, is drawing not sensational attention but wide consideration. The following quotation from Dean Duncan of the Graduate School of the University of Denver is typical of the comment and criticism, coming from authenticated educational quarters, bearing upon Iliff's Th. D. degree:

"I was very much interested in looking over your catalog for 1930-31, particularly that section which deals with the degree of Doctor of Theology. I note you consider this a professional degree. I think you are to be commended in this stand. More and more the need of professional degrees is recognized, the most recent addition being the professional degree in education, corresponding to the professional degrees in law, medicine, business, and engineering. I see no reason why the same should not be true in theology. I commend you on the stand you have taken in this matter."

The **Graduate Fellowship** was established in the Spring of 1925 by Miss Louise Iliff, one of the original founders of the School, in memory of her mother, Elizabeth Iliff Warren, and yields an annual income of \$500.00.

STUDENT SELF HELP

Nothing of like importance in the administration of the School gives more concern and heartache than the problem of giving students the opportunity in self-help which they deserve. Close readers of the annual Catalog will recall the emergence of a new caption, **SCHOLARSHIP AID**, in the two latest editions.

The 1930 Catalog lists 7 items under this heading. Miss Louise Iliff, generous friend of the School and wise counsellor and helper in all its interests, making gifts during the year totaling above \$2573.00, by a gift of \$1373.47 brought thereby the Henry White Warren Scholarship to maturity with a capital of \$5000.00. By an additional gift of \$300 Miss Iliff is making the same effective for use at once. Nearly two years ago James E. Jewel of Fort Morgan, now Commander in Chief of the G. A. R., deeded 80 acres of land near Wiggins which later will help deserving young men to remain in School.

I **appeal to the men** of this Conference to help the School interest more churches and more laymen in this important subject.

Scholarship Aid alone will not solve the problem of self-support for Iliff Students. Important aid comes from the Student Loan Department of the **Board of Education** for which we express our profound appreciation. Here and there in the **city** we find aid for students in **manual and clerical** work. Now and then a church procures one of our students as an **assistant** who serves by directing the choir, supervising play recreation, pastoral calling and religious education supervision. The Board of **Home Missions** gives a few Scholarships to picked men who enter into exacting but entirely just contracts, and for this aid too we are profoundly thankful. But these four items in the solution of the problem plus scholarship aid will not, even when expanded to the limit, solve our problem. We need something more. Modern emphasis in education with its stress upon supervised practice demands something more. The need of keeping the student down to earth while in study demands something more. That something more is student charges.

For reasons which we have not the time nor the information to give there has been a **very radical falling off** in student charges since 1916, in which year there were more than twice as many as we had on September 1st of this year. This radical decline in the number of student charges **very very** materially affects enrollment. The Bishop and District Superintendents have a primary responsibility here and hence are giving much thought to this need. In determining the progress of the School at this very important point they have some difficulties which the Faculty and Administration of Iliff are committed to help overcome by endeavoring to hold the student pastor to a sympathetic attitude toward people and officials, by planning to offer more and more supervision where such is practical, and, by carefully picking from the Conferences and Colleges of Methodism only those candidates who have both the **ability** and the **attitude** to succeed. Our students do not want a meal ticket any more than does a faculty member, a pastor on a \$4000.00 charge, a President of a School, a District Superintendent or a Bishop. Man for man they are just as anxious to serve as any other portion of the Methodist Ministerial Constituency. Now and then the meal ticket **terror** will appear but this **horror** is not lim-

ited merely to men in the incipient stages of the Christian ministry. Our ministerial constituency as a whole is not surpassed by any other group of men serving a cause in its honest effort to give full and true service. The student pastor class is just as conscientious as its more advanced brothers. By studying back through a number of Annual Conference Minutes any one in this body who cares to take the time will either be convinced, or confirm his conviction as the case may be, that Iliff students on the whole, considering conditions under and in which they work are equaling the average pastoral success of this fine Conference.

PERTINENT ITEMS OF SUBSTANTIAL STRATEGY

A number of factors deeper than prejudice and more enduring than financial depression have set Iliff to her tree tops in enduring strategy, among which are the following facts:

1. Only Theological Seminary located west of Chicago now actively engaged in training ministers. Four of our Schools are located east and south of the Mississippi. Only **one** west of it.

2. No other church of the entire evangelical section of American Christianity has a School of Theology nearer than 600 miles on the east and south, and nearer than 1300 miles on the west.

3. For healthful climate and inspiring physical surroundings Iliff has the lead over all other locations where Methodist Schools dwell.

4. While belonging to a wide territory Iliff dwells in a beautiful city, the Capitol City of the Mountains and the Plains, that offers privileges in culture and the opportunity for students to look in on nearly 200 Protestant churches at work.

5. Adjacency to a strong and friendly University which is progressing rapidly and has within its offerings many important courses to supplement Iliff's standard subjects. The Social Foundation established by Mr. Causey brings to our students wide experiences and broadening horizons. The Catalog of 1930 names eleven of the University of Denver Faculty who offer courses that add to ours.

6. The opportunity to serve other churches as well as our own in giving spiritual stimulus, and, direction to theological thought. Half a dozen denominations constantly call upon our faculty for sermons, lectures, and religious education advice and direction. Doctor Morton's unique work and survey in El Paso County which was featured a bit in the July number of the Iliff Bulletin, is a sample.

7. Fine traditions, good spirit, high academic standards, loyal and successful alumni, and a beautiful site with room for expansion and splendid initial equipment.

8. The growing and wide spread conviction of ministers and laymen that the problem of the Protestant Church in any community under any and all circumstances is the problem of finding an efficient minister.

9. The growing and widely spread conviction of ministers and laymen that the modern theological seminary with all its shortcomings is an indispensable instrument for training ministers.

10. The gradual passing of the old idea once necessary and sound, that education is the monopoly of the territory east of some pet division of the United States. Culture is no longer confined to certain old and self-conscious eastern centers but is increasingly the possession of all parts of our land.

EXPANSION PROGRAM

At the February meeting of the Board the Trustees of the School adopted definitely a program of expansion calling for an additional general endowment of \$500,000, \$200,000 for a Library-Dormitory Building, \$200,000 for Scholarship Aid Endowment and \$100,000 Special endowment for the Library. They ordered that the getting of funds for Scholarship purposes be stressed first. In addition to the regular duties of the office in the School and on the grounds, together with the rather extensive and exacting work of visiting some 30 Colleges and Universities and a dozen Conferences, the President of the School during the past year has constructed a constituency list of about 500 prospects in Colorado and surrounding territory to which literature has been sent and with some of whom personal contacts have been made. Dr. William Henry Bernhardt, editor of Iliff Publications, has sent out about 20,000 pieces of literature to a mailing constituency of some 5000 names, including the financial prospects.

With appreciation of all the kindness and encouragements from all who make up the Iliff family and fellowship and constituency,

I am, in the respectful submitting of this report,

Faithfully yours,

E. GUY CUTSHALL.

WESLEY FOUNDATION

Wesley Foundations are at work in five state schools with a combined enrollment of 6000 students. About 20 to 25 per cent of these are of Methodist constituency or 1500 students. In the three major college centers from 60 to 80 per cent of the Methodist students have been actively related to the church program. Attendance at Sunday School forums has averaged from 70 to 90, Epworth League from 75 to 150, and at social programs from 75 to 250 at each school. The three Foundation ministers, Herbert Clugston,

J. Clyde Keegan and Charles Nowlen, have won the respect of faculty and students as well as townspeople in their communities.

The decline in World Service has reduced the appropriations to Colorado Wesley Foundations by \$30 per month. The Conference Foundation has received enough from the churches to make up this deficiency. The income from the Conference increased from \$704 in 1926 to \$1124 last year.

We need additional property investments in Wesley Foundation Ministers homes and student centers of not less than \$30,000. Application has been made to the Board of Home Missions for assistance toward property investment at Boulder and Fort Collins but the major portion of funds must come from Colorado Methodism.

For the coming year the program will include personal field cultivation by representatives of the Wesley Foundation to inform our people to increase the Foundation income by personal solicitation and public collection as it may be deemed wise by Official Boards and Pastors.

We recommend the observance of the "Day of Prayer for Colleges" as "Christian Education Day" throughout the Conference with presentation of Wesley Foundation work in Colorado.

The Trustees of Wesley Foundation of Colorado have adopted the following tentative budget for this coming year:

Boulder.....	Salary	\$ 120.00
	Activities	200.00
Fort Collins.....	Salary	120.00
	Activities	200.00
Greeley.....	Salary	120.00
	Activities	200.00
Gunnison.....	Activities	125.00
Publicity.....		100.00
Field Cultivation.....		100.00
Total.....		<u>\$1285.00</u>

We recommend that the asking for Wesley Foundation for the coming year be 10c per member.

We respectfully nominate E. Guy Cutshall for reelection as a Trustee of Wesley Foundation of Colorado.

F. R. HOLLENBACK, *President*,
CHAS. E. SCHOFIELD, *Secretary*.

RELIGIOUS EDUCATION IN THE LOCAL CHURCH

We ask for the reappointment of Dr. H. M. Pingree to the promotion of Religious Education in the Church Schools of the Colorado Conference, most heartily commending his work. We ask the Conference members to give their loyal support and cooperation to this vital work.

We ask the Conference Program Committee to give the four o'clock hour to this committee for presentation of the major objectives of modern religious education.

Rally Day offerings are returned to this Conference to support our own work and yet give World Service credit, to the charge. Liberal offerings are urged. In addition, we recommend that each Church School pay five cents per member per average attendance for maintenance expense, payments to be made to Mr. R. B. Spencer, Fort Morgan, Colorado, December 1st and May 1st.

We commend the Colorado Council of Religious Education and nominate the following to represent us in the State Council: F. J. Cox, Rufus Baker, Ira A. Morton, Charles Schofield, I. O. Hall.

We nominate the following to constitute the committee on Religious Education in the Local Church for 1930-31: (See Committees)

F. H. ZIMMERMAN, *Chairman*,
H. M. GILMORE, *Secretary*.

RESOLUTIONS

The sixty-eighth session of the Colorado Annual Conference has been very profitable. Its spirit has been happy, considerate, deliberative, prophetic. Its program has presented matters of major interest, and in such a way as to be significant for our local churches as well as for the general church and for the kingdom of God. We have received fresh insights into the possibilities of our lives and our tasks. We have been inspired with power to go more faithfully in the direction of our vision.

To our pastor host, Charles E. Schofield, and Mrs. Schofield; to Charles A. Nowlen, associate pastor, to Mrs. A. F. Schroer, church secretary; to John J. Lace, district superintendent; to the officers and members of this church; to the Express-Courier for its efficient reporting of the conference sessions and its generous distribution of copies; to the Presbyterian and Baptist churches; to the Y. M. C. A.; to the Masonic Temple, and to the citizens of Fort Collins, we enthusiastically express our thankful appreciation for the innumerable friendly courtesies extended us. Every need of the members of the Conference has been anticipated and generously provided.

We are heartily grateful for the presidency of Bishop Charles Edward Locke. His genuine brotherliness and genial humor have kept us from entanglements and have injected the spirit of goodwill and considerateness into all our discussions. For his practical, heart-warming, human interest messages we shall always be thankful.

We express our appreciation of the excellent talent secured by our program committee for all the sessions, and especially for the special addresses. Edward Laird Mills delivered to us messages that were direct, incisive and informing. The addresses of John M. Versteeg were vigorous and prophetic. We recognize as one of the high points of the conference the great social message of Miss Josephine Roche, dealing with the significant achievements of the Rocky Mountain Fuel Company in social and industrial democracy.

To the secretary, statistician and treasurer of the Conference and their assistants and to the other conference officers we extend our hearty thanks for their sacrificial labors.

F. J. COX,
J. A. DEAN,
J. R. CREAMER,
H. T. MORRIS.

SABBATH OBSERVANCE

Believing that the development of personality through the creative power of the love of Christ is the greatest goal in life, and that modern life with its strain and stress both of business and pleasure tend to interfere with this development, and that one day in seven is necessary for the rest of body and for the strengthening of the soul, we therefore recommend that the members of this Conference through their public and private ministry do everything in their power to uphold the observance of this day.

L. C. DRYDEN,
J. T. COULTER,
J. B. PAYTON,
PHILIP D. NORVELL.

WOMAN'S FOREIGN MISSIONARY SOCIETY

We recommend the work of the W. F. M. S., which has shown such wonderful progress in the past few years. Publicity, Extension, Stewardship, and International Departments have been brought into working order. The sixtieth Anniversary last year, at Columbus, Ohio, can never be forgotten. With more than 600,000 members, 8 million dollars invested, and missionaries in 19 countries, they are going "Forward together, to the unfinished task" of Christianising the world, through a growing sisterhood encircling the globe.

A. M. CARPENTER, *Chairman*,
IRA G. McCORMACK,
EDGAR M. WAHLBERG.

THE WOMAN'S HOME MISSIONARY SOCIETY

The Woman's Home Missionary Society continues in a very commendable way its raising of large sums of money and supplies, distributing the same where most needed. In spite of the steady decline of World Service giving in the Colorado Conference, the Woman's Home Missionary Society has advanced.

Their work of training our people to think intelligently of mission has been most valuable.

Committee:
O. C. DOMER, *Chairman*,
PAUL A. SHIELDS, *Secretary*.

ANNUAL REPORT—COLORADO CONFERENCE BOARD OF
 PENSIONS AND RELIEF

Year Ending August 31, 1930

The Board of Pensions and Relief has continued to function this year as the promotional organization of the Conference for carrying out the provisions of the Conference action taken two years ago at Greeley. It will be recalled that, at that time, the raising of an additional \$350,000.00 to be placed in the Reserve Pension Fund of the Conference was made the "major financial project" of the Conference for the ensuing quadrennium. Two years of that time have now elapsed. The Conference will be interested in marking progress:

1. The preachers of the Conference have been loyal. At this time about 100 have paid in full this year and the great majority have made partial payments on their percentages. About twenty members of the Conference

failed to send in the signed statements and pledges this year but the majority of these are paying or intend to pay in full. I have had no case of refusal to cooperate in the program of the Conference as it affects the preachers. In some cases payments are being carried over into the new year but assurances are given that deferred payments will be made up later. In some cases formal promissory notes are given and one has paid interest on his note of last year.

2. **THE CAMPAIGN:** About one-third of the Conference has been entirely covered in the campaign for funds. In not every case has the goal been reached in full but there has been a splendid response in the form of signed pledges. In the remaining two-thirds of the Conference either no canvass or only a partial canvass has been made. It is impossible to tell just what the result has been in figures. Many pledges are indeterminate based on a promise to pay one-fifth of a tithe for five years. Others are for one year and are made conditional for anything beyond that. Their value will be determined by the persistence of effort made to follow up the promise of one year and by the economic conditions prevailing in the Conference as the time progresses.

3. As rapidly as the Pastors and the District Superintendents have opened the way the territory has been entered and the work has been done. It is hoped that conditions will warrant a vigorous effort to complete the campaign in all the charges where it is still incomplete, within the coming conference year and, if possible, within the next four months.

4. While collections have been difficult through the period of financial depression which has prevailed during the year, the total has been more than \$1,000.00 in excess of last year—but it should have been double that and doubtless would have been much more than it has been had conditions been favorable. Many pledges have been cut down or cancelled entirely owing to business reverses or sickness in the home.

5. The Chicago office has again loaned us the services of that Master Campaigner, Dr. Benson M. Powell for a few weeks of the year and his work has been quite up to its usual high standard of merit.

6. Bishop Mead and the District Superintendents have gladly contributed their services wherever needed. Pastors have grouped up and helped each other, freely contributing their time with use of car, paying their own expense for entertainment and travel in the majority of cases. Such cooperation has told mightily in terms of results secured and work done.

7. In fairness to the preachers and the charges who have loyally strained every nerve to meet their obligations and reach their respective goals in the campaign the Conference cannot afford now to relax its efforts to carry it through to a successful completion. To this end the Board brings to the Conference the following recommendations and resolution:

RECOMMENDATIONS

(1) We hereby reaffirm our action of two years ago taken at the Greeley session of the Annual Conference making the completion of this fund the "major financial project of the Conference" for that quadrennium.

(2) As soon as practicable after the adjournment of this Conference we will undertake to cover all new territory and revisit charges where the work is only partially complete for the purpose of finishing all the work still remaining to be done, between now and January 1, 1931.

(3) Believing that the time has now come for the Colorado Conference to take some initial step looking toward the inauguration of the new Pension Plan in our Conference we hereby offer the following resolution:

RESOLUTION

BE IT RESOLVED: That the Colorado Annual Conference enter the Ministers' Reserve Pension Fund of the Methodist Episcopal Church as soon as proper arrangements can be made with the Board of Pensions and Relief respecting:

(1) A Guaranty Reserve Fund;

(2) Working rules under which the business shall be transacted. And, he it provided that, until the Conference orders otherwise, only new entrants received by the Conference itself from probation shall be entitled to participate in the fund.

Be It Further Resolved, That the Colorado Conference Board of Pensions and Relief be authorized to function as provided in Par. D, Sec. 7 of the new reserve pension plan. Said Board is hereby charged with the duty of taking any and all steps necessary to inaugurate the new pension plan in this Conference, and is hereby empowered to frame a working agreement with the Board of Pensions and Relief relative to detailed conduct of operations under the plan.

The Board, as Committee on Reserve Pensions shall report its work fully to each session of the Annual Conference. Its treasurer shall be authorized to transmit at the proper time all moneys required to be sent to the Board of Pensions and Relief as provided in the plan of the Reserve Pension Fund.

It is hereby directed that actual operation of the plan in this Conference shall not be started until all necessary preliminary steps have been carefully taken and requirements met subject to the approval of the Board of Pensions and Relief and by the Colorado Annual Conference.

WHEREAS, At least four men have already transferred out of the Conference leaving entire assessments or balances on personal assessments unpaid; and,

WHEREAS, All years served, not only in the Colorado Conference but in any Conference fix upon the Conference in which a minister may have held his membership on January 1, 1929, the responsibility for making future provision for all previous annuity years:

BE IT RESOLVED: 1. That a careful memorandum be kept of all unpaid assessments and unpaid balances on assessments by the Executive Secretary of the Conference Board of Pensions and Relief and that these unpaid balances and assessments together with accrued interest at 4% shall be made a charge as a preferred claim against any annuities for which the Conference may later become responsible and that due notice be sent to each man concerning this action.

2. That the foregoing provision shall also apply to men retaining membership in this Conference with the understanding that exceptions may be made where it can be shown that valid reasons exist for not meeting these assessments.

E. N. EDGERTON, *Executive Secretary*.

PREACHERS AID SOCIETY—ANNUAL REPORT Year Ending August 31, 1930

The substantial nature of the business of the Preachers Aid Society is certified by the fact that it has borne the test of one of the most difficult business years in its history without a loss. We have had no foreclosure of any of our securities and the one item "overdue interest" in our financial report amounting to \$152.50 is neither large nor alarming.

A comparison with the report of last year reveals the fact that our total assets now have reached and passed the two hundred thousand dollar mark with a total increase of about \$21,000.00 over last year which is a little better than a twelve per cent increase.

Beside making a very substantial growth there has been paid the beneficiaries of the various funds a total of \$7,224.17—divided as follows: to Jubilee Fund beneficiaries, \$2,359.20; to Patrons Fund beneficiaries, \$4,042.36; to Conference Fund beneficiaries, \$822.61. This last is all in the form of annuities for actual money invested in the fund, in each case, disappearing finally with the death of the donors. While these figures denote an increase in annuity payments over last year there has been gradually accumulating a surplus to the credit of the Patrons Fund. When this surplus was brought to the attention of the Board of Managers they voted to make the rate of dividends to beneficiaries of that fund for the coming year $7\frac{1}{4}\%$ instead of 7% in the expectation that the surplus would thus be gradually absorbed. My own thought is that, while this new rate may more nearly balance the income to the credit of that fund it will not absorb the surplus. However, it may be that the luxury of having one account in the Conference carrying a persistent surplus may be worth enough to the morale of the Conference to make it unwise to destroy it.

The imperative necessity of building our permanent funds to a minimum total of \$500,000.00 is peculiarly illustrated in the fact that the "law of diminishing" return is operating inexorably in the Conference. No loss this year in either the effective or retired ranks of our ministry with additional obligations amounting to 6 years already in sight points only in the direction of ultimate disaster if the Conference continues much longer to operate under the old system. Steps should be taken this year looking toward the gradual merging of the old and new programs of the church for the support of Conference Claimants.

Many letters of grateful appreciation from present beneficiaries of these funds attest their value the moment a man steps out of the effective ministry into the ranks of the retired. Let me again urge that Pastors and District Superintendents keep in mind the necessity of finding and reporting to the Executive Secretary any who might be interested in making this Society the beneficiary of legacies or estate notes and that attention of any seeking annuity bonds be directed our way and immediately reported to the Secretary.

Respectfully submitted,

E. N. EDGERTON, *Executive Secretary*.

(c) SPECIAL COMMITTEES AND COMMISSIONS

REPORT OF THE COMMITTEE ON PLANS FOR CONFERENCE ENTERTAINMENT

Your Committee created at the last session of the Conference to study the problem of Conference entertainment and report a definite recommendation to this Conference have carefully studied the experience of churches that have entertained the Colorado Annual Conference during the past six years and have examined plans that are in force in other Conferences. After careful consideration of all the factors involved we submit the following recommendation:

I. The Colorado Annual Conference in conjunction with the Laymen's Association, or Lay Electoral Conference, shall create a **Commission on Conference Entertainment**, consisting of twelve members.

II. Six of the members of the **Commission on Conference Entertainment** shall be members of Colorado Annual Conference and six shall be laymen elected by the Laymen's Association or the Lay Electoral Conference.

III. The members of the **Commission on Conference Entertainment** shall be divided into three classes, elected for terms of one, two and three years each. Therefore two ministers and two laymen shall be elected each year for a term of three years.

IV. The duties and powers of this Commission shall be as follows:

1. Churches desiring to entertain the Conference shall be required to submit to the **Commission on Conference Entertainment** an invitation, together with such evidence as the Commission may require of their ability adequately to entertain the Conference. Such invitations must be submitted to the Commission not later than April 1st preceding the session of the Annual Conference for which the invitation is extended.

2. The **Commission on Conference Entertainment** shall have full power to fix the place for holding the Annual Conference.

3. If no invitations are received from any church before April 1st of any year, or if, in the judgment of the Commission the invitations submitted should not be accepted, the Commission shall then make such arrangements as may be necessary to provide for the entertainment of the Conference.

4. The **Commission on Conference Entertainment** shall recommend to each session of the Annual Conference the rate of assessment required to meet the costs of conference entertainment and shall have authority to fix the assessments upon the churches in any Conference year only after the preceding Annual Conference has approved the rate of assessment for that year.

5. The assessment for the year beginning September 1st, 1931, shall be one and one-half per cent. of the total cash salary, not including house rent, of each charge in the Conference. One per cent of this amount shall be paid by the churches, and one-half per cent shall be paid by the active pastors within the Conference. All retired and supernumerary ministers, not serving charges, shall be exempt from this assessment, but all other members of the Conference in detached or special service who attend the session of the Annual Conference, shall be assessed one-half per cent of their cash salary.

6. The **Commission on Conference Entertainment** shall have full authority to pay the railway fare, to and from the seat of the Annual Conference, and the board and room rent of all members of the Conference attending Conference while they are present at the seat of the Conference, either in whole, or in such proportion as the Commission shall deem possible with the resources at its disposal. If the Commission so desires, they may arrange with a committee from the entertaining board of the members of the Conference and delegate the responsibility for providing room and board to the entertaining church. Each entertaining church shall be required to appoint such a Committee to cooperate with the Commission. This Committee shall cooperate with the Program Committee appointed by the Annual Conference in providing for the special features of the Conference program.

7. Each member of the Conference shall be required to send to the

Treasurer of the Commission on Conference Entertainment on or before the opening day of the session of the Annual Conference the amount apportioned to his charge, or, in case of men in detached service, the amount assessed to such members of the Conference. Each member of the Conference shall also present to the Treasurer of the Commission a statement of his railroad fare to and from the seat of the Annual Conference, based on the current clergy rate.

V. The **Commission on Conference Entertainment** shall elect from their number a President, Secretary, and Treasurer. The Treasurer shall pay all bills contracted by the Commission by warrant and check, when approved by the Commission and signed by the Secretary, and shall submit a complete financial report which shall be printed in the minutes of each Annual Conference.

VI. The **Commission on Conference Entertainment**, in cooperation with the Secretary of the Conference, shall provide for the publishing and mailing to the members of the Conference the Annual Minutes and Year Book of the Conference, so that the assessment for Conference entertainment shall cancel the present assessment for the publication of the minutes.

VII. This report and recommendation shall be presented to the Colorado Annual Conference and to the Laymen's Association of said Conference and shall be ordered printed in the Minutes of the Conference for 1930 and action deferred upon said report for one year. This plan for Conference entertainment shall become operative when it has been approved by the Colorado Annual Conference and the Laymen's Association or Lay Electoral Conference of the Colorado Annual Conference.

WILSON G. COLE, *Chairman*,
CHAS. EL. SCHOFIELD, *Secretary*.

SOCIAL SERVICE COMMISSION

The anguish of millions of unemployed and their dependents challenges anew our present economic order. By action of its General Conference our Church stands committed to an economic order with "the fullest possible cooperative control and ownership of industry and of the natural resources on which the industry depends." Ameliorative measures such as municipal lodging houses and wholesome food distribution are necessary to those denied employment. We call upon the next state legislature to enact laws establishing unemployment insurance and old age pensions. As a means of partial relief from technological unemployment we pledge support to labor to establish the five-day week and the six-hour day.

In the beet sugar industry the test of "the social and spiritual ideals of Jesus" will require such division of the profits as to assure the grower the same returns on capital invested in land and machinery as that paid to stockholders in the manufacturing company while at the same time permitting him to pay his field workers enough to insure for them an American standard of living. Wages of beet workers should become the first lien on crops as wages of building tradesmen are first claim on property. Nor can the workers justly be denied the right to organize and to be represented by agents of their own choosing in conference called to fix wages and conditions of labor.

We believe the legislature should fix by statute the minimum age and wage conditions for all employed children and should make illegal the contracts for families rather than individual workers. No conditions of labor should deprive any child of the opportunity for public school education. Minimum standards of living quarters for labor and tenant families should be prescribed by the state. To realize these minimum standards the Colorado Conference pledges full cooperation with all existing agencies.

To place the resources of healing at the disposal of every human sufferer we call for the rapid expansion of free public clinics and hospital facilities, and so relieve one of the most tragic phases of poverty.

As a church through our General Conference we are opposed "to all military training in high schools and to all compulsory military training in colleges and universities." We note the announcement of the Attorney General and the Secretary of the Interior that the Morrell Law does not require compulsory military training in Land Grant Colleges. We therefore call upon the trustees of the Colorado School of Mines and the State College of Agriculture to require no more of their students than is required of the schools by our government under the Land Grant Act.

Any phase of militarism in boys' clubs is inconsistent with the teaching of our church.

The crime situation within our state should be sufficient proof of the ineffectiveness of capital punishment as a preventative of crime. We call upon our legislature to repeal the present law which inflicts the death penalty.

We urge the pastors to read to the congregations the social pronouncements of the Annual Conference and the General Conference of our Church and that they enroll in and secure lay members in the Methodist Federation for Social Service.

We request the executive committee to arrange a June meeting at the Iliff School of Theology with such a program that will merit the attendance of every pastor and at least one layman from each church.

We request our Social Service Commission to invite the fellowship and

joint activity of similar commissions of all religious bodies in our state.

We nominate for membership in the Social Service Commission of the Colorado Conference for the ensuing year: (See Committees)

SUPPLEMENTARY REPORT OF SOCIAL SERVICE ON ECONOMIC BROTHERHOOD

The present disparity in ministerial support works a hardship that hinders the progress of the kingdom. Without urging any mechanical equalization of salaries and recognizing that any plan would be imperfect, we urge that the question be approached in brotherliness and that a Committee be raised to study the entire question as it relates to the needs of the men in Colorado Conference and that this committee bring a plan for economic brotherhood to the next Conference. The Committee to consist of two men from each district and one at large.

J. CLYDE KEEGAN,
IRA A. MCCORMACK,
I. O. HALL.

WORLD SERVICE COUNCIL

The Colorado Conference **World Service Council** respectfully submits the following report and recommendations:

1. That we express our appreciation of the vision and faith of our church leaders in setting the goal of ten million dollars, annually, as our material response to world needs.

2. That we approve as the goal for the Conference and for the districts the distribution by the World Service Commission of the askings on the ten million dollar basis and pledge ourselves to the ultimate attainment of this goal.

3. That we call to the attention of the pastors and people the fact that the Board of Foreign Missions and the Board of Home Missions and Church Extension again face a prospective reduction in their incomes in the fiscal year closing October 31 and we respectfully urge that we gather in and remit to the World Service Treasurer every available World Service dollar by that date.

4. That in line with the program of the World Service Commission, Sunday, October 19, 1930, be designated as Missionary day at which time Kingdom needs will be presented in all our churches, and we recommend that wherever possible an every member canvass for World Service be conducted in the charges before October 31.

(g) MISCELLANEOUS**RESOLUTIONS****APPOINTMENT OF DISTRICT SUPERINTENDENTS IN MISSIONS CONFERENCES**

WHEREAS, The Discipline of the Methodist Episcopal Church provides that the Bishop "shall not allow a District Superintendent to preside in the same district more than six consecutive years, nor more than six years in any consecutive twelve in the same annual conference"; and

WHEREAS, Superintendents of Missions, of one district, are to all intents and purposes District Superintendents of a conference when, as in the case of the Denver Area Utah and New Mexico Missions are so largely administered as a part of the Colorado Conference; superintendents being appointed from our conference and frequently meeting with the cabinet of our conference to consider the appointments of men;

THEREFORE BE IT RESOLVED, That we, the members of the Colorado Conference, hereby express our conviction that section 2 of paragraph 257 should be considered applicable to Superintendents of Utah and New Mexico Missions; and

BE IT FURTHER RESOLVED, That, pending a decision by the next General Conference, we respectfully ask the presiding bishops of the Colorado Conference and the resident bishop of the Denver Area to consider the limitations of the above said paragraph applicable in the future appointment of any member of the Colorado Conference to the superintendency of either mission as well as in the case of the appointment of a mission superintendent to a district in the Colorado Conference.

VII. Memoirs

(The Colorado Conference has had the unusual experience this year of having no member die. There have been deaths in some of our parsonage homes. Other kindred have been translated. These we list blow.)

Phoebe Kate Balsley

Phoebe Kate Balsley, wife of G. U. Balsley, an honored and retired member of the Colorado Conference, passed away from her home in West Virginia to the Home Eternal in September, 1929. She lived and died firm in the faith of her Redeemer.

Anna E. Watson

Anna E. Watson, wife of J. V. Watson, a retired member of the Colorado Conference, passed away at her home in Colorado Springs, to the Home Triumphant, May 3, 1930. She lived a most consistent Christian life. Her's was a beautiful character.

Lucretia B. Warner

Lucretia B. Warner, widow of S. B. Warner, former honored member of the Colorado Conference, died at her home in Pasadena, California, July, 1930. She was a worthy follower of her Master.

Olive C. Kendall

For three-score years, Olive C. Kendall, wife of David E. Kendall, had been a dispenser of good cheer. To know her was to love her. Born in Industry, Illinois, she passed into eternity from Denver, Colorado, September 6, 1930.

Following a brief service from the home in charge of E. C. Wright, the family together with Rollin A. Ayres, accompanied the remains back to the old home in Parker, Kansas. There the funeral was preached and the body laid away.

Lyle Wesley Coulter

Lyle Wesley Coulter, infant son of Brother and Sister J. T. Coulter, pastor of Asbury Church, Denver, was born May 14, 1929, and died February 10, 1930. "Of such is the Kingdom of Heaven."

Winston Edwards

Winston Edwards, son of Rev. and Mrs. F. E. Edwards, pastor of Wesley Institutional Church, Denver, was born January 28, 1913, and passed away March 26, 1930. He was a young man with a promising future. He was among those who dedicated their lives to Christian service at the last Colorado Conference, under the invitation given by Bishop Leonard. The Master has called him to higher service.

Genevieve Ross Dickerson

Genevieve Ross Dickerson, daughter of Reverend and Mrs. B. F. Ross, of Rifle, Colorado, passed away at Washington, Iowa, February 18, 1930. She was born at Strong City, Kansas, September 9, 1902. She spent her early life in various parsonage homes and was graduated from high school and Western State College.

Genevieve Ross Dickerson was a devout Christian. Her life was enriched by the Spirit of the Christ Whom she loved and served with a beautiful loyalty. She was a member of the First Methodist Episcopal Church at Washington, Iowa. Her pastor, the Reverend A. W. Henke, conducted the funeral service on February 20, 1930. She is survived by her husband, S. A. Dickerson, her father and mother, Reverend and Mrs. B. F. Ross, of this Conference, and her sister Roberta.

William H. Ayres

Forty years a class leader and Sunday School superintendent, and eighty-four years a pilgrim heaven-bound, William H. Ayres, father of Rollin H. Ayres, departed this life from Highgrove, California, October 18, 1929. A trail of light marked his path across the years. Cheerful, hopeful, inspirational, devout, men flocked to his leadership because of the irresistible gravity of his goodness. He was the young people's ally. His companion of sixty-three years tarries yet a while this side the gates of pearl.

Well he lived!
His life was not in aimless quest—
A drifting toward some unknown goal;
He early knew a radiant quest
And made Him Captain of his soul.

Alice A. Mead

Alice A. Mead, mother of Bishop Charles L. Mead, was born at Beemer-ville, New Jersey, in 1845. She became the wife of Joshua Mead and lived the life of a pastor's wife in many appointments in the Newark Conference.

Joshua Mead died in 1919 since which time Mrs. Mead has been making her home with members of the family at Ocean Grove, New Jersey, where she died June 21st, 1930, at the age of 85. Funeral services were held at Ocean Grove and at Chatham, N. J., where her mortal remains were buried beside the body of her husband.

Nancy A. Pennell

Nancy A. Pennell, mother of G. E. Pennell, our pastor at Trinidad, Colorado, died at her home in Humboldt, Illinois, August, 1930. A member of the Methodist Church since 1867, she was a devout Christian, and passed to her Home Triumphant singing the hymns of her faith.

(b) CONFERENCE RULES OF ORDER AND PROCEDURE

1. The President shall decide all questions of order, subject to an appeal to the Conference. In case of such appeal the question shall be taken without debate, except that the President may state the grounds of his decision, and the appellant may state the grounds of his appeal.

2. The President shall appoint all Committees, unless otherwise especially ordered by the Conference.

3. On assigning the floor to any member of the Conference, the President shall distinctly announce the name of the member to whom it is assigned.

4. No member shall absent himself from the sessions of the Conference without leave, unless he be unable to attend.

5. When any member is about to speak in debate, or to deliver any matter to the Conference, he shall arise and respectfully address the President, but shall not proceed until recognized by him.

6. No member shall be interrupted when speaking, except by the President to call him to order when he departs from the question, or uses personalities or disrespectful language; but any member may call the attention of the President to the subject when he deems a speaker out of order, and any member may explain when he thinks himself misrepresented.

7. When a member desires to speak to a question of privilege he shall briefly state the question; but it shall not be in order for him to proceed until the President shall have decided it a privileged question.

8. No person shall speak more than twice on the same question, nor more than ten minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken; provided, however, that a Committee making a report shall, through its Chairman, or one of its members selected by the Committee or its Chairman, in all cases be entitled to ten minutes to close the debate; either to oppose the motion to lay the report on the table, or, this permission not having been used, to close the debate on the motion to adopt.

9. Resolutions shall be written and presented in duplicate by the mover. All motions shall be reduced to writing if the President, Secretary, or any member requests it.

10. All written motions, reports and communications to the Conference shall be passed to the Secretary, to be by him read to the Conference.

11. When a motion is made and seconded, or a resolution introduced or seconded, or a report presented and read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference.

12. The following motions shall be taken without debate:

- (1) To adjourn.
- (2) To suspend the rules.
- (3) To lay on the table.
- (4) To take from the table.
- (5) To raise the question of consideration.
- (6) Call for the previous question.
- (7) To reconsider a non-debatable motion.

13. No new motion or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection; but one or more of the following motions may be made, and they shall have precedence in the order in which they are given, namely:

- (1) To fix the time to which the Conference shall adjourn.
- (2) To adjourn.
- (3) To take a recess.
- (4) To lay on the table.
- (5) To order the previous question (cannot be laid on the table).
- (6) To postpone to a given time.
- (7) To refer.
- (8) To substitute.
- (9) To amend.
- (10) To postpone indefinitely.

14. Only one amendment to an amendment shall be in order, but then it shall be in order to move a substitute for the main question and one amendment to the substitute, and if a substitute is accepted it shall replace the original proposition.

15. It shall be in order to move the previous question—that is, that the question be taken without further debate—on any measure pending, except in cases in which character is involved; and if sustained by a vote of two-thirds the question shall be taken; nevertheless, it shall be in order under this rule to move to refer or to recommit (on either of which the vote shall be taken without

debate): to divide or to lay on the table, after the previous question has been ordered. It shall not be in order to move the previous question or to move to lay on the table at the close of a speech in which the pending question has been discussed.

16. The motion to adjourn shall be taken without debate, and shall always be in order, except

- (1) When a member has the floor.
- (2) When a question is actually put, or a vote is being taken, or until decided.
- (3) When the question is pending on sustaining the demand for the previous question.
- (4) When the previous question has been called and sustained, and action under it is still pending; and
- (5) When a motion to adjourn has been negatived; and no business or debate has intervened.

17. When any motion or resolution shall have been acted upon by the Conference, it shall be in order for any member who voted with the prevailing side to move a reconsideration; but a motion to reconsider a non-debatable motion shall be decided without debate.

18. Every member who is within the bar at the time a question is put shall vote, unless the Conference, for special reasons, excuses him. No member shall be allowed to vote on any question who is not within the bar at the time when such question shall be put by the President, except by leave of the Conference, when such member has been necessarily absent.

19. It shall be in order for any member to call for the ayes and noes on any question before the Conference, and if the call be sustained by forty members present, the vote thereon shall be taken by ayes and noes.

20. These rules may be suspended at any time by a vote of two-thirds of the members present and voting.

XI. Pastoral Record

(a) ANNUITY CLAIMANTS

APPROPRIATIONS FOR CONFERENCE CLAIMANTS' SUPPORT FOR CONFERENCE YEAR 1930-31

The support of these Claimants for any quarter depends upon what the Church Treasurers remit the *preceding quarter*. Also it is the Conference order that all deficit in Conference Claimants' receipts from charges at a session of Conference shall in proportion reduce the following fourth quarter's check to Claimants.

The Minimum Disciplinary Annuity Rate for the Colorado Conference for 1928-31 was announced as \$6.00 per quarter for each annuity year of a retired minister. The churches should send in their apportionments quarterly and fully or pro rata to each settlement day, not later than the end of each quarter—December 10, March 10, June 10.

IMPORTANT

Attention of Pastors and Church Treasurers is called to the fact that all checks for support of Conference Claimants are to be sent to the Secretary of the Board of Stewards, E. N. Edgerton, Room 312 Trinity Building, Denver, Colo.

Vouchers for checks received on apportionments will be mailed to the Pastors of the churches from which they come. Treasurers may have a duplicate voucher if they request it, otherwise the cancelled check will be their receipt.

It is to be borne in mind that the Claimants cannot be paid unless the charges pay in each quarter the amount of their quarterly apportionments. We give below a tabulation of the Claimants and their claims based on the \$22.00 rate, reminding the brethren that the legal rate is \$24.00 and that the hope is that the balance can be made good to the Claimant after Conference next year.

On the death of any Minister *not* on the retired list, the annuity claims of his dependents begin at once.

A claim is liable to lawful reduction or to extinction at the end of any quarter.
